# Using Google Meets in Schoology

If You See…..	Then….
	1. Log into Google Drive 2. Refresh the webpage 3. Click the arrow sticking out of the square in Schoology
The meeting code you entered doesn't work e you entered the correct meeting code in the URL, for example: https://meet.google.com/**xxx**- Return to home screen	1. Check that it's still logged into your child's account Google Account jekrum@fcpsschools.net 2. * If they aren't, switch it to their account

meet.google.com refused to connect.

Click the arrow popping out of the square
